MEDICINAL.

The Happy Home.

Happiness must be founded on health. Where there is ill-health there will surely be unhappiness. The happiness of many a home has received its downfall at the table, spread with rich and dainty foods. The first symptoms of disease of the stomach are ignored as being disagreeable but not dangerous. Presently dyspepsia or some other form of disease fastens on the stomach.

At any stage Dr. Pierce's Golden Medical Discovery will cure diseases of the stomach and other organs of digestion and nutrition. But the cure is quicker if the "Discovery" is used in the earlier stages of disease. If you have any symptoms of diseased stomach use "Golden Medical Discovery" and be cured.

"I feel that I would be doing an injustice to you if I did not send you a statement of my case," writes Mrs. David W. Guice, of Hamburg, Franklin Co., Miss. "I had liver complaint and indigestion. Everything that I ate disagreed with me. I suffered all the time with swimming in my head; heart beat too fast; my feet and hands were cold all the time. Did not sleep well at all. Was able to get about but very little. I commenced to use Dr. Pierce's Golden Medical Discovery and 'Pleasant Pellets' in May, 1897, and by December I could begin to get about very well. Have been doing my work ever since. Feel better than I have for several years."

Dr. Pierce's Common Sense Medical Adviser, paper covers, is sent free on receipt of 21 one-cent stamps to pay expense of mailing only. Address Dr. R. V. Pierce, Buffalo, N. Y.

THE WAR IN THE EAST.

Japan seized Masampo Sunday and dispatched a heavy force there. Japan will fortify the port and establish a naval and military base there. Masampo is an exceedingly important point, as it controls the Korean channel and is an excellent base for further operations.

A cable from Nagasaki states that the Russian cruiser Variag, which was reported to have been sunk Tuesday at Chemulpo by the Japanese fleet, was captured and arrived at Sasebo. The dispatch also states that in addition to the Russian vessels damaged in the torpedo attack at Port Arthur, seven other vessels were captured.

Dispatches to the London Daily Mail from Tokyo and Nagasaki, dated February 10, report the arrival at Sasebo Japan, of two large Russian steamers. One is the new volunteer fleet association transport Ekaterinoslav, which recently landed troops and arms at Port Arthur, and the other is the steamer Argon, belonging to the Chinese Eastern Railway Company. Both were captured by the Japanese cruisers Sai Yen and Hei Yen, in the neighborhood of Fusan, Korea. The Ekaterinoslav is of 10,000 tons displacement, and had been fitted up as an auxiliary cruiser. She had thirty rifles on board and was on her way from Vladivostok to Nagasaki. The Russian whalers Glorige, Nicolai, Alexander and Michael, captured by the Japanese, have also arrived at Sasebo.

The Shanghai correspondent of the London Daily Mail says an important bridge on the Manchurian Railroad has been blown up and thirty men have been killed. The formal declaration of war on the part of Japan was expected last night. The proclamation has been prepared and approved by the cabinet. Foreign Minister Komura has gone to the palace to secure the Emperor's approval.

The Japanese have captured at least five Russian commercial steamers, including the Ekaterinoslav, Moukden, Russia, Argon, and Alexander. They were captured by the Japanese in Korean and adjacent waters at various times since Saturday by small cruisers. Some of the steamers are rich prizes. The small steamer Koeki is detained at Yokohama, its status not being clear.

Special dispatches from Tokyo received in London yesterday morning announced the arrival of Japanese troops at Seoul, but beyond this the dispatches add practically nothing to the knowledge of the actual situation.

The Tientsin correspondent of the London Standard sends in a report that the Russians have massacred 100 Chinese at Liao Yang, in consequence of which the officials at Shan-Hai-Kwan are greatly alarmed and are appealing to Peking for protection.

Other dispatches from Tientsin say that 400 French troops have been ordered from there to Seoul for the protection of the French legation at the Korean capital, the Emperor having taken refuge there. These reports lack confirmation.

The correspondent of the London Daily Mail at Tientsin says that Li, the favorite court official of the Dowager Empress of China, has been decoyed away and beheaded by order of Yuan Shi Kai, commander-in-chief of the Chinese army and navy. Li was pro-Russian in his feelings.

The Chefoo correspondent of the London Daily Express asserts that the Russian cruiser Diana was injured by a shot from the Russian shore battery at Port Arthur and that the cruiser Novik and the battleship Poltava have also been beached at Port Arthur.

Special dispatches from Tokyo report that fugitives from Vladivostok accuse the Russians of openly looting Japanese houses there without interference by the police.

The Mikado is personally superintending affairs, and the cabinet holds daily sessions. The government has issued orders for the protection of all Russian subjects residing in Japan.

Baron Kanake and Baron Sukematsu have been sent to the United States and Great Britain to explain Japan's position and attitude in the present conflict.

Baron Hayashi, the Japanese Minister at London, has received official confirmation from Tokyo of the destruction at Chemulpo of the Russian first-class cruiser Variag and the third-class cruiser Korietz.

THE CZAR'S MANIFESTO.

The Official Messenger of St. Petersburg yesterday morning continued the following "supreme manifest":

"By the grace of God we, Nicholas II, Emperor and autocrat of all the Russias, etc., make known to all our loyal subjects: In our solicitude for the maintenance of peace, which is dear to our heart, we made every exertion to consolidate tranquility in the far East. In these peaceful aims we signified assent to the proposals of the Japanese government to revise agreement regarding Korean affairs existing between the two governments. However, the negotiations begun upon this subject were not brought to a conclusion, and Japan, without the awaiting the receipt of the last responsive proposals of our
